This class was very fun even if there was a lot of Material to cover. Professor Torres had several books and text to reads which made it beneficial so I could complete my assignments in this course for this semester. Me as a student wouldn't want him to teach other students any other way because I entered the class not having a clue of the course and he taught me several things ending this course. Amazing Professor since th beginning of the class !

Professor Torres is an outstanding educator. His class is excellently structured, starting off with the core foundations of politics and escalating to relevant current events. Classes are always engaging and thought-provoking. The environment provided for us by Professor Torres is one where each and every student is treated with the utmost kindness and respect. What I like most is how he makes an effort to give the perspectives of both sides of the political spectrum. Him doing this includes everyone, and exposes us to new ideas. In my experience, it is extremely rare to come across such an unbiased professor. Furthermore, Professor Torres is always willing to explain something twice, or meet during office hours. He provides us with review sessions and constantly emails us with reminders. It is obvious that he cares for his students and their success. I am more than satisfied with the quality of education I have received from Professor Torres.
