Thank you for a great semester professor! Your class introduced to me to a new side of myself regarding politics. I was never interested in the subject and thought taking POLS 1555 would bore me to death, but surprisingly, it did not. Apologies for all the late assignments and I am grateful you allowed me to turn in the assignments when I was ready. It was hard to juggle school and a full time job, but if it was any other professor, I probably would not have had to enthusiasm to continue the course.
